Best Lawyers: Ones to Watch

Best Lawyers: Ones to Watch recognizes associates and other lawyers who are earlier in their careers for their outstanding professional excellence in private practice in the United States.

"Best Lawyers was founded in 1981 with the purpose of recognizing extraordinary lawyers in private practice through an exhaustive peer-review process. Nearly 40 years later, we are proud to expand our scope, while maintaining the same methodology, to recognize a different demographic of talented and deserving lawyers in Best Lawyers: Ones to Watch," says Phil Greer, CEO of Best Lawyers.

Lawyers recognized in Best Lawyers: Ones to Watch are divided by geographic region and practice areas. They are reviewed by their peers based on professional expertise and undergo an authentication process to make sure they are in current practice and in good standing.
